AUTISM AWARENESS TRAINING

SEE THE POTENTIAL

1 HOUR LUNCH & LEARN

Challenge your perception of autism

Learn about NeuroDiversity and how autistic people think differently

Discover the value autistic employees bring to your organisation

Hear about the schemes being run by corporates to embrace autism

Learn about best practices you can use to help your autistic employees thrive

Learn our bespoke CHILL Model

The chill model is a simple yet effective tool that gives you the ability to see a situation from a autistic person's point of view
